2022 November 10th

2022 December 7th

2022 December 8th

- From 9 am til 12:30 pm all the above day

We welcome all our prospective students!

Registration: <https://avicenna.hu/nyilt-nap-az-aic-ben/>

Our academic programs:

At Avicenna International College Hungarian-English Bilingual High School you may choose from the following programs:

- **Hungarian-English bilingual general program**

or

- **Hungarian-English bilingual natural sciences program.**

Our school will prepare you for the Hungarian Érettségi examination. Our goal is to help you continue your tertiary education at the university of your choice.

We prepare our students for the following **Advanced level Érettségi exams**:

- English language; German language, Hungarian language and Literature, Mathematics, History, Biology, Chemistry, Physics, Geography, Digital culture

We also prepare our students for select subjects of the Pearson-EDEXCEL **International A-levels**.

We also organize the **SAT exam** of College Board USA.

Duration of the academic programs:

4 years

or

1 + 4 years (with a Pre-High School year)

Admission requirements:

Applying candidates do not need to participate in the central entrance examination of Hungary.

For our admission procedure we assess the end-year Grade 7 and mid-year Grade 8 results of your elementary school education, together with your performance during the interview (motivation, interest in our academic programs).

Admission procedure:

During the interview we assess the motivation, areas of interest and further education plans of the candidates. We seek to admit students with a high commitment to their academic progress and eager to continue their tertiary education.

The candidates are ranked based on their elementary school results and interview results.

During the interview we consider all the special needs of students regarding accommodation, behaviour or learning difficulties. Please notify us if any of the above apply to you.

Deadlines:

1. round

Registration deadline – 1. round: 2023 March 1st
